

Join Your NMRMC Patient Portal

Visit: nmmrc.iqhealth.com

Dear Patient,

We are pleased to offer secure online access to your medical information through our patient portal. Your patient portal allows you to [view your lab results](#), [communicate with your providers](#), [online bill pay](#), and much more.

If you are interested in joining your patient portal, provide us with your email address when asked so we can send you an invitation to set up your secure online account.

Thank You,
Your Health Care Team

Sign Up Now

To sign up, start by letting us know you are interested using one of the following ways:

- ◆ If you plan to use your patient portal account **for yourself**, you can self-enroll by visiting nmmrc.iqhealth.com/self-enroll, or you can provide your email address to a member of our health care team during your next visit.
- ◆ If you manage the health care of **another person**, for example your child, provide your email address to a member of our health care team.

When you receive an email invitation, complete the following steps:

1. Click the **Accept Invitation** link in the email.
2. Answer the security question, agree to the terms of use and privacy policy, and click **Create Your Account**.
3. Verify your email address, create a username and password, and select your security question and answer.
4. Agree to the terms of use and privacy policy, and click **Create Account**.

After You Complete Enrollment:

Remember your username and password, as you will need them every time you log in to nmmrc.iqhealth.com.

Access From Your Mobile Device

After enrollment, you can also access the patient portal online using your mobile device or by downloading our app from the app store.

Scan the QR code to access the portal from your mobile device.

Download the app: HealthLife

Search for **HealthLife** in the app store. Once installed, search for our organization: **Neosho Memorial Regional Medical Center**. Enter your username and password to sign-in.

Connect Your Health Management Apps

You can securely connect some of the health management apps you may already use, such as fitness trackers, dietary trackers, and so on, to your health record.

If you're interested in connecting your health management apps, contact us at healthlife@cerner.com. Once we receive your request, we will work with the appropriate vendors to determine if they meet the technical requirements needed to establish a secure connection and respond with more information on how to connect the app to your health record.

Need Help? For technical assistance, contact us.
